

Set Up Instructions

1. From your computer go to roku.com
2. Select my account at the top right corner. Log into your account. If you do not have a Roku account please make one.
3. Once logged into your account, select "Add channel with a code".
4. The channel code is jabbatv. Type "jabbatv" in field and click Add channel
5. A warning will appear, click ok and proceed. The JabbaTV channel will now upload to your ROKU channel guide on your TV.
6. In ROKU settings menu on TV, update your system or you may have to restart. Usually update works right away.
7. Open JABBATV and enter your **USER ID**, **PASSWORD**, **DEVICE**. Name your device anything i.e. living room, 1TV etc. **Jabba Support** will provide you with your **USER ID** and **PASSWORD**.
8. Enjoy jabbaTV!
